**Petitioning the Court**

For the issuance of a no-bail warrant for the defendant's arrest.

I, Carol K.J. Mendoza, a U.S. Pretrial Services Officer, employed in the United States District Court for the Northern District of California, solemnly affirm and declare, under penalty of perjury, that to the best of my information and belief, the facts set forth in this affidavit are true and correct. The factual affirmations made below are based on my personal knowledge, on official records or documents generated and maintained by my agency in the course of performing its functions, on official records or documents generated and maintained by other government agents or agencies in the course of performing their functions, or on information provided to me orally or electronically by employees or agents of other public agencies (information developed or acquired in the course of performing official agency functions).

**VIOLATION(S):**

- 1) According to BI Voice ID records (automated curfew), Pablo ONOFRE missed check ins on December 28, 2010, at 6:59pm and 8:46pm, on December 31, 2010 at 8:33pm, and on January 1, 2011, at 8:41pm. Pretrial Services made numerous attempts to contact the defendant at home and through his mobile phone without success. Additionally, we contacted all sureties, the defendant's employment and the defendant's son who advised they are unaware of the defendant's whereabouts. It should also be noted that a representative from the defendant's reported place of employment stated they do not have anyone by the name of Pablo Onofre working at their place of business. Mr. Onofre has not contacted Pretrial Services and his current whereabouts are unknown.

Based on the foregoing, there is probable cause to believe that Pablo ONOFRE violated the conditions of his pretrial supervision release. Therefore, I ask the Court to issue a no-bail warrant for his arrest.

Respectfully submitted:
